3rd February 2017

Agenda Item No	Discussion/action points	Action who and when
Purpose of meeting	This is an open forum for parents/families. The purpose is to gather feedback and suggest improvements for school. It is not for discussing individual issues about your child.	
Parent Pay	Mrs Atkinson updated the group around issues with the payment platform. It seems to be working well apart from special lunch days which is being sorted. Generally it was felt that it is an easy system when it works and is more convenient than having to come into the office to pay.	CA to feedback to office.
Uniform	Mrs Atkinson talked about how we are going to design a new logo for the school to go with the change in name to 'Cutnall Green Primary School.' The colours of uniform will stay the same and uniform with new logo will be phased in over a period of time. The group felt that it was a good idea to move to a system where uniform could be ordered via an online system and delivered to the school.	CA to feedback to office for online system to be set up when new logo has been designed.
Parent workshops	Feedback from these is good. There is no ideal time due to parents working at different times. Presentations from these are now being put on website for all to access. Straight after school may be a more suitable option for the future.	CA to organise parent workshops for straight after school.
Any other comments	<p>Question- one of my children got a stamp on bookmark for reading in half term whereas one didn't?</p> <p>Question- is there a pastoral element to the feedback discussions that happen with children? All children in school have recently had learning conferences with their teachers. They have discussed a range of issues, including how they can improve their work, what their successes and challenges are and how they feel about making mistakes. As with teachers daily practice there is an pastoral element to this.</p> <p>Question- will Young Voices be happening next year?- more than likely</p> <p>Question- why is parents' evening in the hall, it can be hard to discuss a personal issue with other parents close by?-</p>	<p>CA to clarify with staff than holidays do not count towards 5x reading.</p> <p>Autumn parents evening to be in hall and Spring in classrooms. CA to organise.</p>
Next Meeting:	To be arranged for Summer Term
