23rd September 2016

Agenda Item No	Discussion/action points	Action who and when
Purpose of meeting	This is an open forum for parents/families. The purpose is to gather feedback and suggest improvements for school. It is not for discussing individual issues about your child.	
Stay and Read/Write/ maths	Feedback was requested for these sessions. People felt they were good and a chance to see classroom. It is nice that you can work with other children as well as your own. It is much better in the classroom that the hall.	Sessions to continue in same way in classrooms.
Transition	How was the transition experience? Big leap going into Year 1. It would be useful to have more information about the meals. It is a really good idea to have all children straight in when they start in reception especially for working parents.	CA to follow up about information about meals
Parent workshops	Planned for Reading/phonics in EYFS, spelling/phonics in years 1-4, telling the time-whole school and fractions and decimals- years 2,3,4.	CA to send out parent workshop dates
Any other comments	Good range of clubs this term. Sometimes children have perception that they are star of the week because it is their turn. Zone board clarification needed. It would be useful to introduce new members of staff in celebration assembly or with photos on newsletters It would be good to speak to individual parents about why their children are doing relax kids. Some concern about children missing their lunchtime when it is their turn to tidy up.	CA to speak to staff. CA to put on newsletter CA to action CA to action at parents' evening CA to look into
Next Meeting:	Friday 25th November 9am (no celebration assembly on this day) All welcome
