Number 1

Dear Parents,

Welcome back to the new term at Cutnall Green Primary School.

Over the holidays there have been a team of builders and decorators who have been hard at work freshening up the corridors and some of the classrooms.

Year 1 has moved into Year 3/4's old classroom. This has given them direct access onto the outside space with Reception and Preschool. As a result, Mrs. Pickett is now in the old Year 1 room. It looks very different (and spacious) having been painted a calming shade. Year 3 is now located in the old wrap around room and wrap around has moved into the old staff room. To help us deliver an enriching and engaging curriculum we have redeveloped the "Reading Garden" into an open 'creative arts' space, suitable for large groups to paint, cook and construct.

We have also welcomed three new additions to the school, Poppy, Missey and Alice. Three rescue guinea-pigs. I am pleased to report that they are settling in extremely well and are enjoying lots of cuddles from the children.

I am looking forward to hosting the Parent Forum meeting on Thursday 21st September at 9am and hope to see you there.

Warm regards,

Emma Rowe

Ready to learn!

At Cutnall Green Primary School we take learning very seriously and would like to remind children and parents that every child needs to bring their **Reading Book, Reading Record and Spelling Journal every day.** PE kits can be left in school.

Teachers have asked me to remind you that children should only be drinking water at school. There is access to filtered watered to refill bottles at anytime.

Celebration Assembly

Commences on Friday
15th September 2017 at
2.45pm.

Hope you can join us.

This year, Year 3, 4 and 5 will be taking part in The Prince William Award.

It is a comprehensive programme designed to help children build resilience and independence. For more information please visit:
